Every School and Teacher Should Own

Webster's International Dictionary

of ENGLISH, Biography, Geography, Fiction, etc.
STANDARD AUTHORITY of the U. S. Supreme Court, all the State Supreme Courts, the U. S. Government Printing Office, and of nearly all the Schoolbooks. Warmly commended by State Superintendents of Schools, and other Educators almost without number.

Charles W. Eliot, LL. D., President of Harvard University, says:—
"The International is a wonderfully compact storehouse of accurate information."

Next to the International, and Useful for Everybody is Webster's Collegiate Dictionary

This is a NEW BOOK—the latest and largest of the abridgments of the International. It has a sizable vocabulary, complete definitions and adequate etymologies. It has over 1100 pages and is richly illustrated. Size 7 x 10 x 2.5-3 inches. A valuable feature of its appendix is a Glossary of Scottish Words and Phrases, giving as nowhere else the correct pronunciation of the Scottish dialect.

Nicholas Murray Butler, Ph.D., Columbia University, New York, says:
The Collegiate Dictionary is first class in quality and admirably adapted for everyday use.

WEBSTER'S DICTIONARIES EXCEL in the ease in which the eye finds the word sought; in accuracy of definition; in effective methods of indicating pronunciation; in terse and comprehensive statements of facts and in practical use as working dictionaries.

Specimen pages of both books with full descriptions will be sent on application.
